RIO AMMO, OFFICIAL SPONSOR OF TNSCTP

Rio Ammunition is helping Tennessee's next generation of shooters by supporting the Tennessee Scholastic Clay Program (TNSCTP). Rio continues to provide the organization with high quality target loads at an affordable price. The TNSCTP has set the benchmark for other states since its introduction in 2001. In the past few years, there have been 1800+

youth participating in trap, skeet, and sporting clays competitions. Rio is proud to be a sponsor and looks forward to being a part of youth shooting for years to come. The relationship between Rio, TNSCTP, and the youth shooter is a great way for all to work together in our home state of Tennessee and to create a brighter future for shooting!

ARMANDO CIANI. COMMERCIAL DIRECTOR OF MAXAM OUTDOORS ITALY

Armando Ciani is responsible for the marketing and the sale of cartridges and components in the Italian Market. Maxam Outdoors is now one of the leading brands in Italy, a country known for its large tradition in hunting and shooting. According to Armando "Despite the difficult times we are facing, Italy is a country with a century of gunsmith tradition and this allows a stabilization of the orders and a number of homogeneous sales. Furthermore, in Italy there are many manufactures of big variety of shotshells that are using our primers and powders very satisfactorily."
